

Bulletins for ACAT2013

- **Weather in mid- May in Beijing**

It becomes hot in Beijing in May, but it will be chilly when it rains. Sometimes the temperature changes drastically. You are kindly advised to check the weather before you trip.

- **How to get to the IHEP guesthouse and Changfeng Holiday Inn**

The most convenient way to get to the IHEP guesthouse and Changfeng Holiday Inn from Beijing International Airport is by taxi. There are clear direction indicators at the airport pointing to the Taxi waiting points at all the terminals. Most international flights will arrive at Terminal 3 (T3) while some may arrive at Terminal 2 (T2). The Taxi waiting point at T3 is located at the basement 1st floor (B1F) and you should take the elevator to get there. At T2, the Taxi waiting point is just outside the Arrival building.

There is detailed information about the location of the IHEP guesthouse and Changfeng Holiday Inn at the conference webpage,

<http://acat2013.ihep.ac.cn/transportation.htm>

Please always take the taxis at the waiting points, and DO NOT follow those who invite passengers to take their taxis at the Arrival Gate. Those taxis are generally unauthorized ones. Sometimes, you may have to queue for a while at the Taxi waiting point, but generally it just takes a couple of minutes to get into a taxi.

The distance between the airport and the IHEP area is about 45 -50 km , and it takes about 50 minutes with ordinary traffic condition. At rush hours, it may take more than one and half hours. The cost is about 140-150 yuan including the toll fee (10 yuan). It may be a little bit more at rush hours.

Conference shuttle bus:

From the email feedback of flight information, we have fixed the arrangement of the conference shuttle bus. Two buses are scheduled to pick up participants at the airport on May 15. The first bus will leave the airport at 11:00, while the second one will leave around 14:30, no later than 15:00. We will meet you at Gate 8, 1st floor (the arrival floor) of Terminal 3. For those arrived at Terminal 2, one of our student will try to assist you at T2 to Terminal 3, but it is recommended to reach T3 by yourself via airport shuttle bus between three terminals. For those arrives after 15:00, one of us will stay there till 17:00 after the leave of second bus and come back to IHEP with you. And, there will be another individual pick-up around 23:00 for four people according to current information (one free seat available).
